1964

Karen -

I can't begin to tell you how enjoyable it has been working with you during the last two years. Variety Show '64 was truly an unforgettable experience. I'll always remember how great all your kids were to me when I was the lady sophomore in Madrigals, and that magnificent trip to Madison to see Wonderful Town. It was you, Don't see, None kind, and the others who really initiated me into the show dept, and I'll never forget it. Good luck next year, and I will personally see that T.M. has a cooking party next year, and that you get an invitation. Thanks for everything.

Love,

Geoff Anderson

Cavalcade

## Cavalcade

This year the EL DIABLO staff is proud to present a new yearbook—an EL DIABLO with a new look!

Each of the students at Hinsdale Township High is an individual, but each must be willing to unite into a vital, alert, and vigorous group, the Student Body. It is this cavalcade of students, moving from work to fun and back again, that molds life at HT.

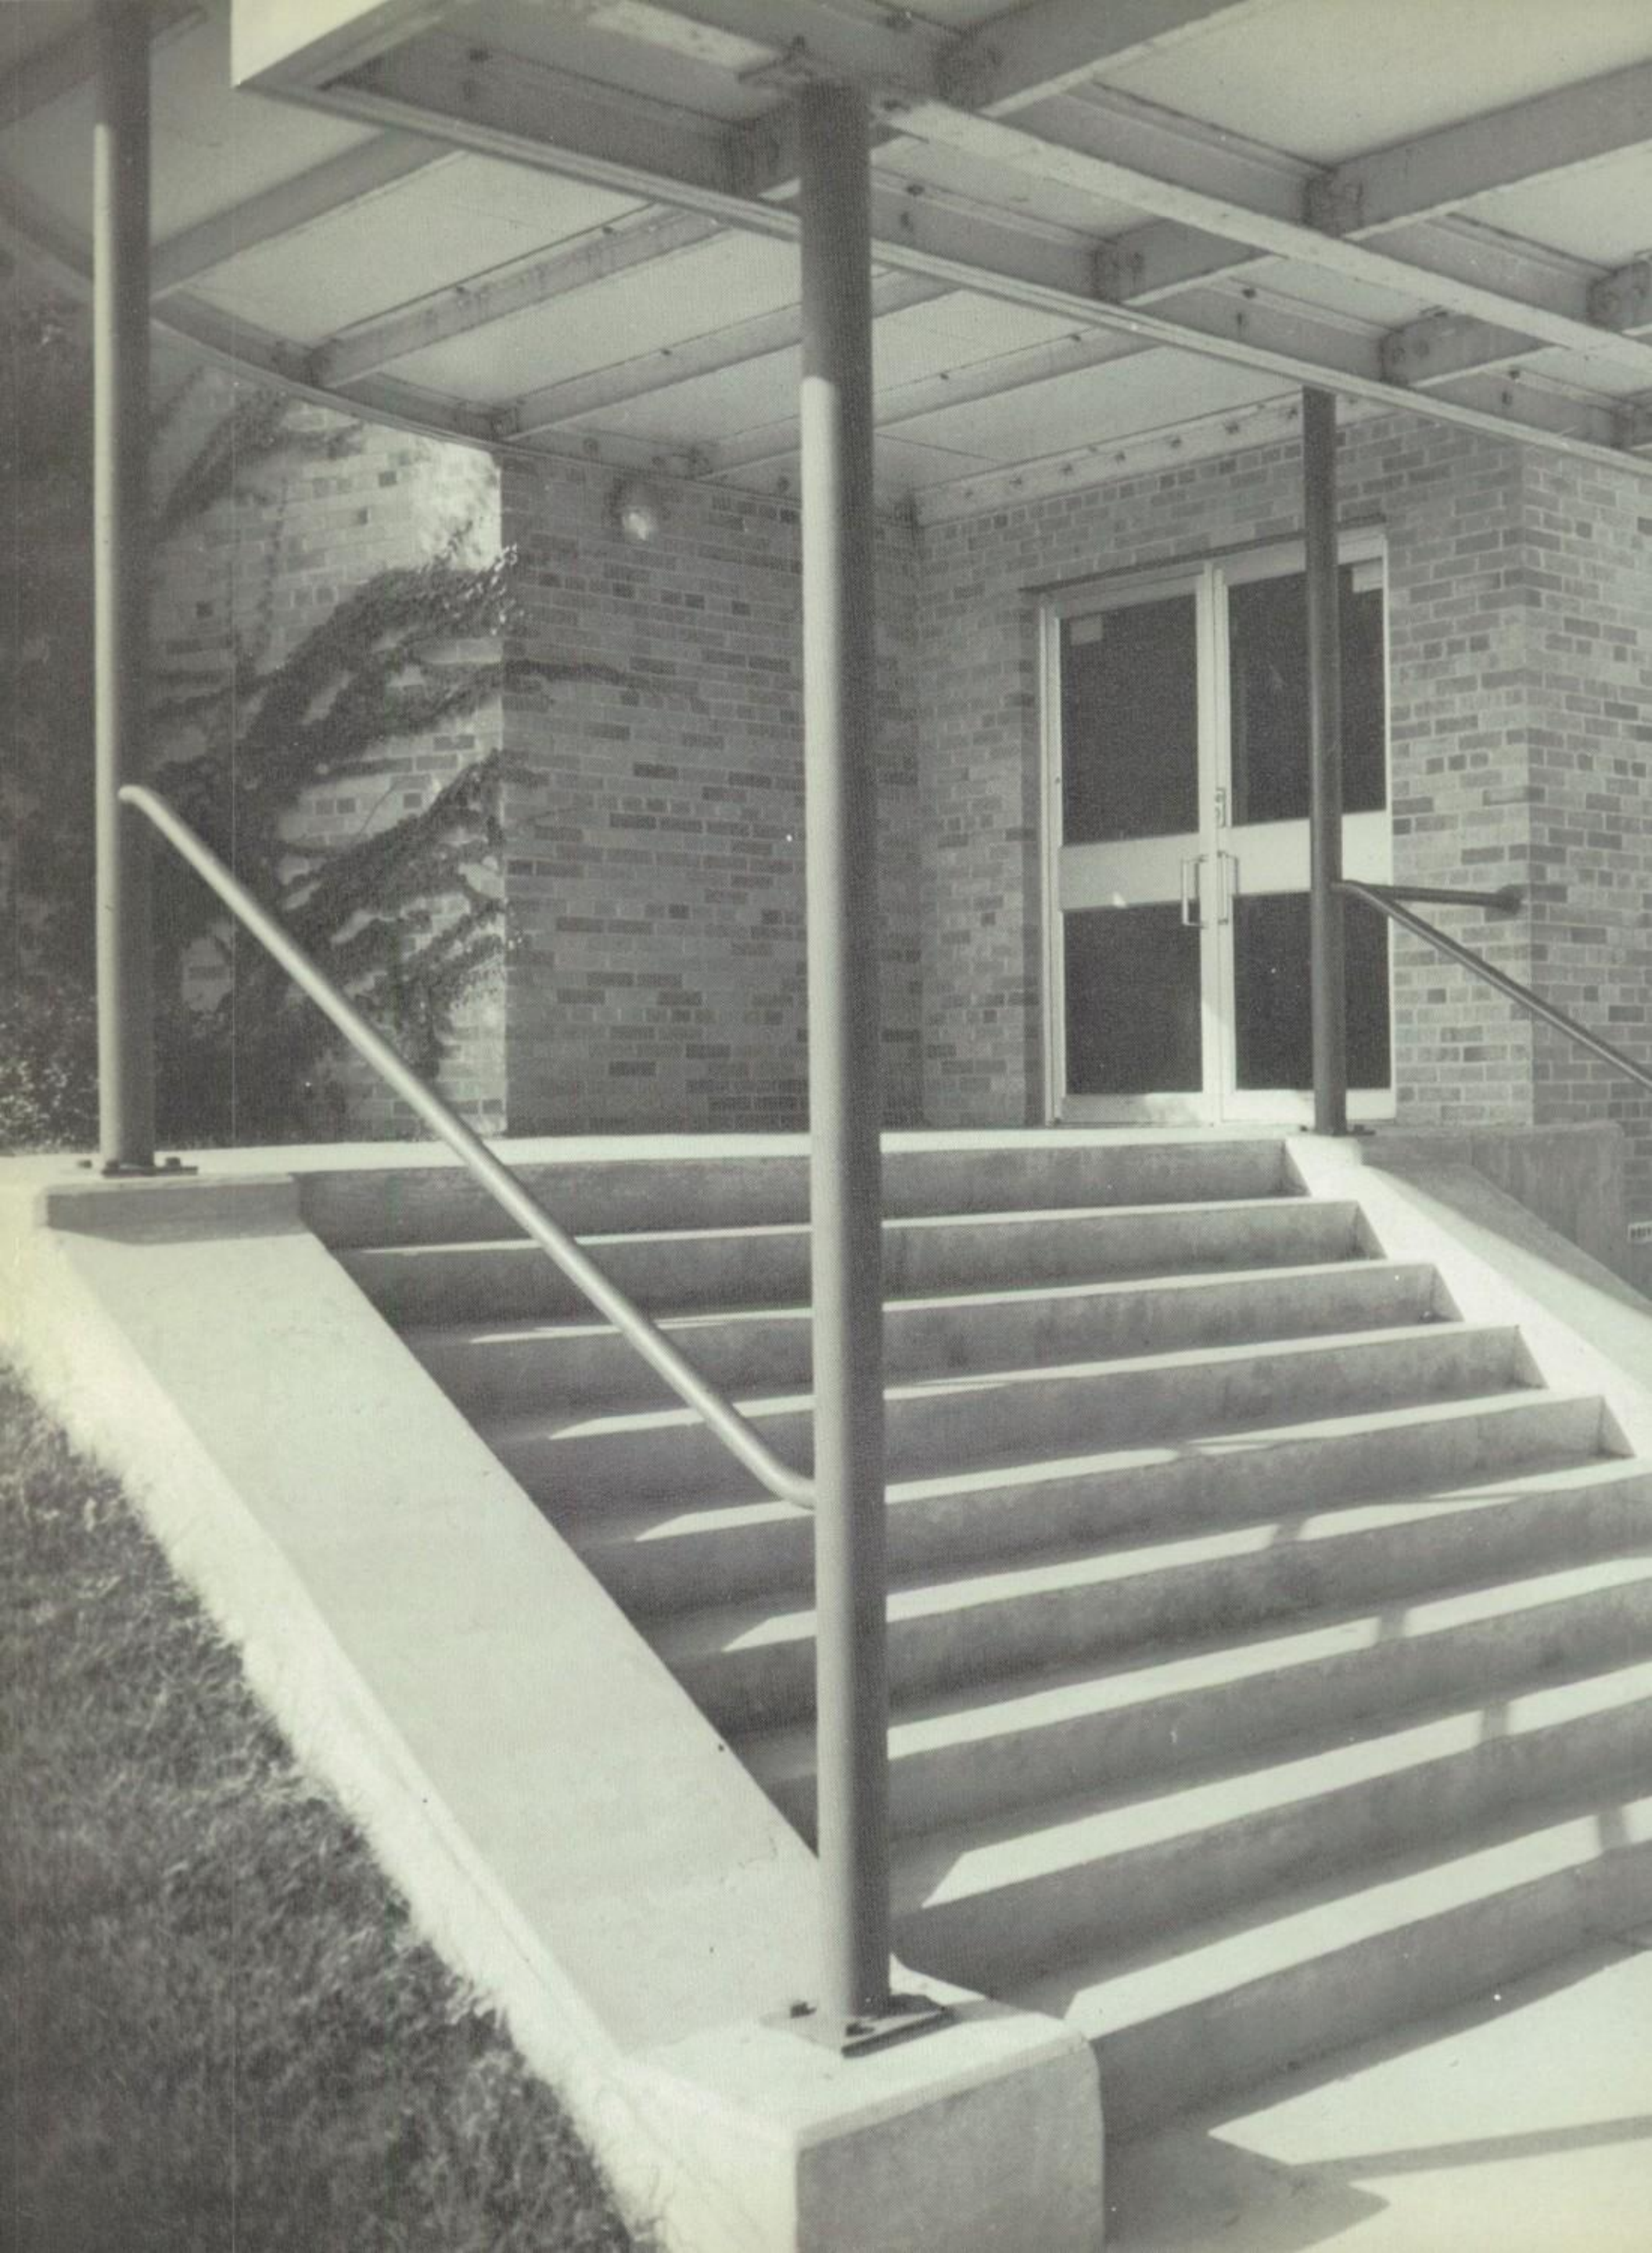

The most important procession takes place in the classes and halls. Here we rush from one end of the building to the other to get to class on time. Here we worry about chemistry tests, class boards, and Saturday's games. We try to remember the period in which William Shakespeare was born, the right time to "ripple" at lunch, and the date our report cards get sent home. Here, within the school, there

are no loud bass drums nor flashy banners, but there is still a steady file—a constant flow of students and faculty.

Near the end of the procession come the clubs, activities, and sports at HT. We see the band marching during half-time. The Homecoming floats, the plays, the variety show, the operetta, and the elections remind us of all the long, hard hours we worked together, ignoring our homework and tests. Finally, football and basketball games, the Homecoming dance, assemblies, class parties, and the Senior Prom further complete our high school memories.

Thus, this is our yearbook, depicting our years at HT. As time marches on we shall look back through the pages to see "Hinsdale on Parade."

Dearest Karen -  
I'll love you for  
ever - especially since  
the birth of our eight  
legged child. Boy, if ever  
your "popling" was needed, it  
was against that -- damned rosin  
on the Homcoming Eve. We never  
will forget plunges warfare,  
iced cube -----, and of course,  
"Hootnanny, Hootnanny, Hootnanny new,  
Hootnanny shoes. If ya got a walk the  
streets I tell ya what ya got a do, you got  
And the foot in the particular shoe."  
May I be of some assistance to you young gentlemen?!  
French and Mr. Lodise, B.B.B, Halloween party  
I go to sleep, Wizard of Oz, When at Night  
with Mrs. Osimund, She Swamps of Home,  
end on and on. But alas, for an  
expecting future. Hope you come to  
Illinois before I get canned.

Karen -  
Four years  
of school are  
almost over.  
There have been  
many memorable  
moments in  
those years -  
especially  
for some  
one like you  
who has so  
much talent  
You're sure  
to be a great  
success in  
anything you  
attempt to do  
Best of luck  
Nan W.

Karen,  
I'll have to admit that  
this has been a really swing  
year and that old Blank grin  
(he he) has certainly been a  
contributing factor. You're certainly  
helped me alot in theatre  
Class - Bullet Bullet Bullet. But  
seriously you are the best female  
ball player I've ever seen,  
(outside of Nikki)

Karen - We've  
had some  
rather interes-  
ting experience  
together this  
year. You  
were a wonder-  
ful alto in  
Choir and Madrigals.  
Don't forget "Count  
erpint of the  
Animals". How could  
any of us forget the  
homecoming "Octopus"  
and the stocking caps  
at Marshall Field's  
for the Madrigals.  
Remember Contest,  
Northern and the  
splendid performance  
you gave as Eulalie  
Mackenzie Shinn,  
Our Mayor's Wife?  
You were great. Have  
a nice summer and  
best of luck next  
year. Don't forget  
PROF. H. H. and Marcellus  
and the Marian's and  
the rest of the cast. And  
archery with Miss  
Schroeder - Love ya,  
"Much grass" for  
your support &  
encouragement during  
M. M. Love,  
Elaine Craig  
"S.D."

Have much fun  
and Good Luck  
next year.  
John P.

Ni again  
It has been  
really wonderful  
getting to know  
you this year. You're  
a wonderful person  
and I really mean  
that.

Thanks for so much  
fun during Variety  
Show... even if we  
did deserve 1st prize.  
Seriously though, have  
fun and enjoy life.

Love  
Susan S.

Dear Karen,  
 Well these four years have really gone fast. It all started with our gym class freshman year with "Elm Team" considered you one of my best friends. You've just been great all four years and you've done so much. Just plain float 2 yrs and madrigals. You were just wonderful as Eulabee this summer on next year. I know you've earned it! You've more than earned it! See you on Broadway in a few years!  
 Love,  
 Karen Niemann

It's been marvelous knowing you the past two years. You amaze me with your constant talent and wonderful ability. Whatever you do, it always turns out fab-ulous! Enjoy yourself this summer - you've earned it! See you on Broadway in a few years!  
 Love,  
 Karen Niemann

Love,

Karen!  
 It's been so much fun know-  
 ing you this in Choir and in French (for a while). You covered! Sadie really let up on us after a while. You were really great in the Operetta this year - looks like you have a bright future! Good luck next year and always you're really a wonderful person. Stay that way!  
 Mary Bridges

Karen,  
 I've really over-  
 had fun in our hole  
 neat locker clubby class.  
 in gym. I'll never forget the  
 great "Frosty" you  
 did a good job. Well  
 have fun next  
 year. Good luck  
 always.

 this year in choir,  
 Madrigals, etc, etc! The  
 Music Man" was great  
 I'm sorry the year  
 is coming to a close  
 but I know next  
 year will be just  
 as cool, but  
 really miss you  
 Love,  
 Kathy B.

Karen - Have a good time in Europe - you are a great person. I know you will succeed in all you do. Lights, clowns, H.T. and me.  
Remember your name in classes, f uck, Cynell

Karen - It really has been fun this year in choir. I'll never forget the operetta you were really great. Good luck always.  
Linda Hoff

Karen,  
Well we've made it through 4 years. Sociology was really a different class but sort of fun.  
Good luck in your future years

Nancy Sloan  
Karen Honey!!!  
I feel very privileged signing the yearbook of the one & only Eulalie!!!!

Karen -  
What can I say?  
Knowing you the past three years has been great. You were a hit the last two years in the operetta. I know with your talent you'll really go far.  
Best of Luck always.

Love, Pam Verré

slightly + tremendous in that part... You are so darn talented you're making me sick! It's too bad you & I had to show every body up in gym with our superior co-ordination -  
Good luck to a really great person who I've always liked. Have a swinger next year. Love,  
P.R.S.!!!

Hi are,

It's been a great year,  
 concert choir was a blast  
 and so was Operella. It's just  
 too bad that the American  
 Heritage Trio will have to  
 be broken up. Good luck next  
 year at college.

Be good  
 Doug

Karen,  
 Well, you made  
 it. You're finally  
 graduating. Of course  
 you know this means  
 Sandy and I are left  
 alone. But then  
 we've had such  
 great times: 3 day  
 slumber party, Bruce  
 Hill, Illinois State  
 Beach, Irish Rivera,  
 Romy Glen, "Wonderful  
 Town", "Music Man",  
 variety show, Tri-M  
 show, Nikki & the  
 Girls, the Bridgeway  
 and now the Prom.  
 We've had such  
 good times that I  
 just can't stand  
 to see it end. I  
 doubt if I'll ever  
 be able to say thank  
 you enough for  
 your friendship.

Pam Powers

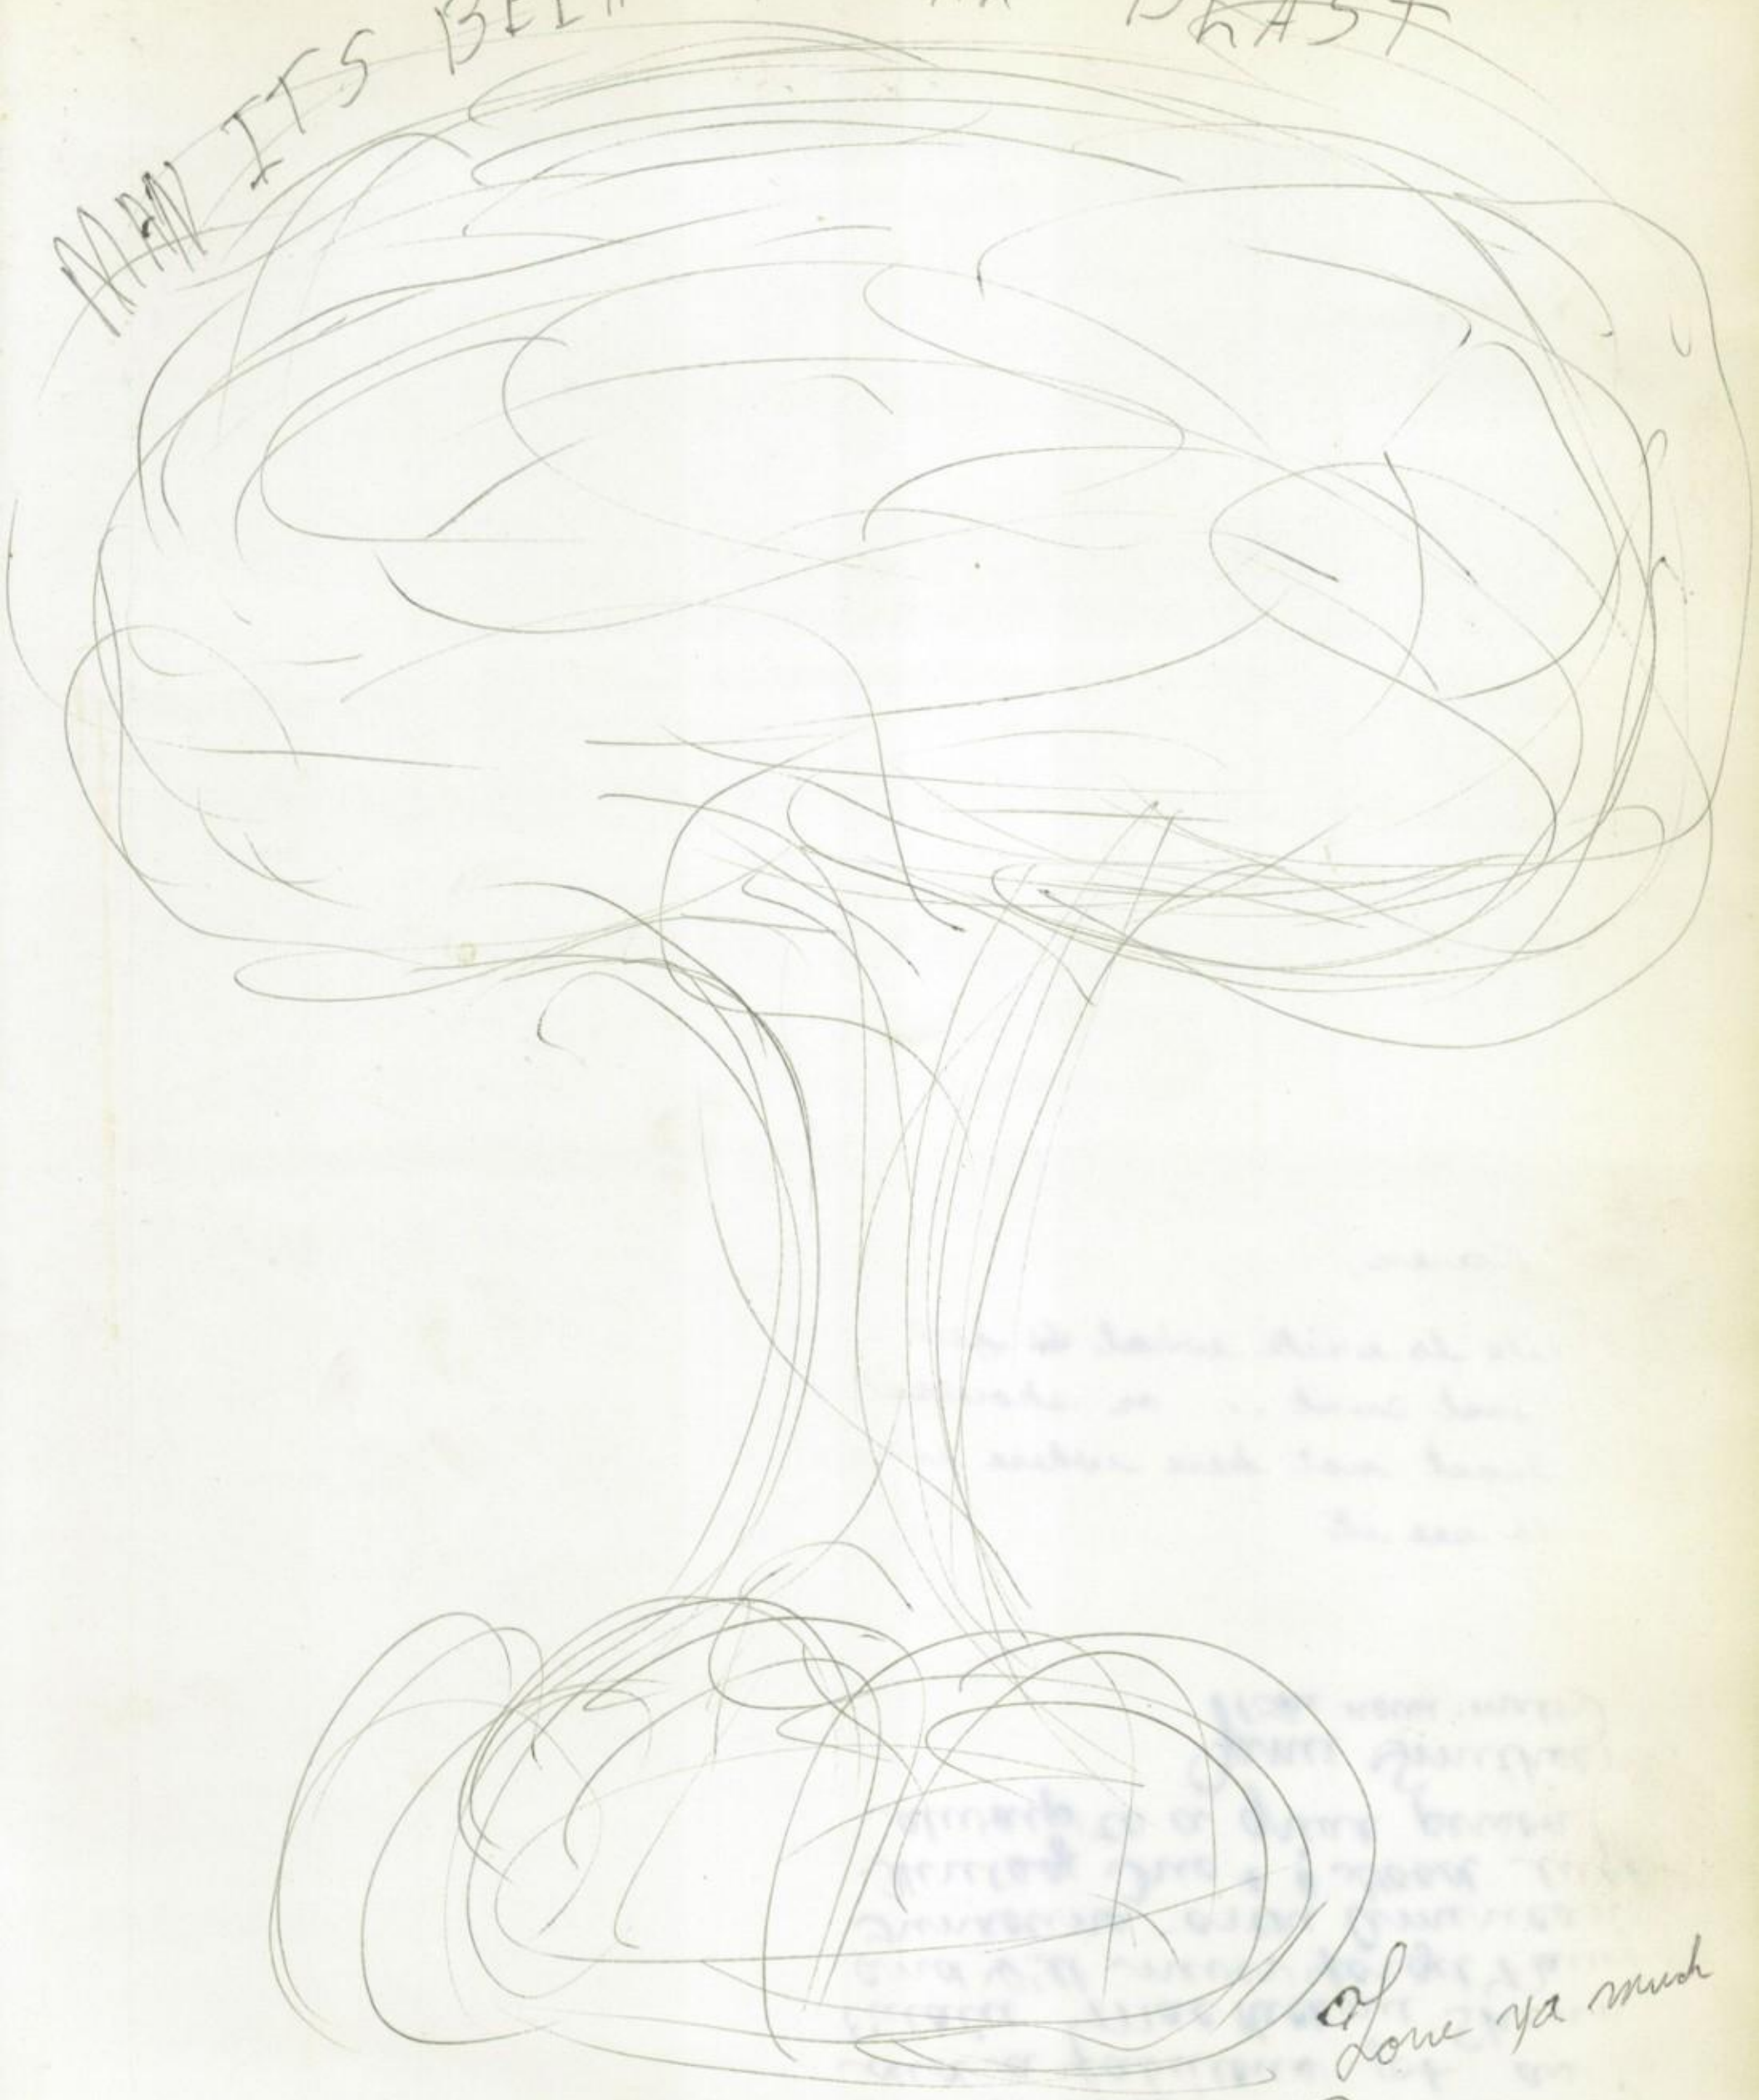

Karen:  
 Lots of luck in the  
 future and I hope I'll  
 get to see you again  
 sometime. I'll never forget  
 all your talents and your  
 American Heritage Trio.  
 It's really a shame you'll have  
 to put an end to an excellent  
 friendship. I've sincerely enjoyed your  
 fun at Denver Ave. Give your  
 love to Linda (for her)

KAREN,

It really has been a  
pleasure knowing you!  
you are so talented —  
you made the Music Man  
really great! Good luck  
to you and your American  
Heritage Trio.

Best of everything always  
Nancy E. Mueller

KAREN,

I consider myself very fortunate  
to have made your acquaintance here  
at H.T. It has really been fun. Good  
luck next year and always, even  
if you are in another rival group.

MOTHER

Karen,

I'd like to write what I feel  
but I just can't ... or shouldn't  
... at least not here where every-  
one will see it.

Karen -  
It's really been great working  
with you this year in opera, you  
and a fabulous lot as  
Cecilia Mae Keene Shinn...  
and I'll never forget "Naughty  
Sunkissed" - the American  
Heritage Trio + I had such  
always to a great person!  
Jane Smithson  
(the notes maker)

The only thing I did wrong this year was not getting to  
know you sooner. When I'm a summer camp I expect to get a letter  
at least once a day and when you're in Europe I expect a letter from every  
country. When the American Heritage Trio (all four of you) return  
first thing see the money to come up and see me a camp.  
Next year when you go to the VofD we will it be the VofD. Have  
a lot of fun and learn all about Radio and TV so that you can put  
me on the stage.

Karen -

Karen-

Hasn't this been a year to end all years? Let's start with Homecoming. Instead of Between the sheets we played beneath the float - no holds barred. Let's not forget the Spitfire. But - who can - when you hear that "unique farting sound" coming down the street it'll be me, coming to abduct fiery Anita.

Then, how can I forget Brush Hill. You and the Wonderful Wop got to yell at the poor people of penance on the stage. That's when JH was literally floating around backstage building up character references. I don't think you'll ever get the front door fixed. How about the Dunes with Big G? (Right thru the heart of Gary) The fine spear chuckers who wanted to run it. Boy we showed them.

This year seemed rather empty. There weren't any campaigns to be rallied. No Janets or Ducks - not even a lousey sparrow (well how about Kithayland's cat). You suffered beautifully thru Mr. W's Variety Show; but apparantly (sp?) the antibiotics took hold for Tri-M.

Ah, but wait, I failed to mention one thing! Kort Ploshay. No, alas, my case of airraid being what it is, I've decided to keep this clean.

How about the you and Steve went parking in the Forest Preserve. Or how about the watermelon filled with gin over in the breezeway.
